

# EDI Learning Community Call

**Mission:** Promoting ongoing learning and sharing that increases equity, diversity, and inclusion throughout the IPS Learning Community and across all IPS stakeholders.

The Equity, Diversity and Inclusion (EDI) IPS Learning Community invites you to join to an interactive session quarterly. This time together will strength our knowledge, increase conversations around equity, diversity and inclusion and help to ensure that EDI is part of the IPS services.

## Oct 29 Topic: Making Room at the Table - Creating Villages in IPS

This webinar will focus on family and other important people in an IPS participant's inner circle who are critical to include in their employment journey. We will discuss the value of creating villages around IPS participants and learn strategies for engagement.
