

Poster Session

Members of the Learning Community are invited to develop posters that highlight what is new or unique in their state/country/region. There will be a poster session on the first day of the meeting so that states/countries/regions can network and learn from each other.

- The first 25 posters submitted will be accepted. (Space for displaying posters is limited.)
- Posters will be 18" by 24".
- Posters should be vertically orientated.
- Poster designs should be submitted in pdf or jpeg format.
- The posters must be submitted by April 15th. All poster designs will be sent to the printer on April 16th.
- The posters will be backed with foam board and placed on easels.
- The country/state/region should designate someone to stand with the poster to answer questions.
