

Virtual Training: IPS Practice Principles for  
New IPS Practitioners and Peer Specialists  
**2025 California Schedule**

These virtual trainings look in depth at the eight practice principles of Individual Placement and Support (IPS) Supported Employment. The topics in the webinars will include a review of the IPS model, along with a description of organizational changes needed for successful IPS implementation. Who can join? All county and behavioral health program staff interested in IPS programs, case managers, clinicians, peers, administrators, and DOR staff are welcome. The trainings are available at no cost. Each training course will review similar material.
