

# Breaking Barriers: Utilizing Trauma-Informed Care with IPS

Discover how Individual Placement and Support (IPS) and trauma-informed practices work together to create safer, more empowering pathways to employment and recovery. Please join us for our upcoming webinar!

## What is Trauma-Informed Care?

Trauma-informed care is a framework for supporting individuals by recognizing the deep impact of trauma and creating environments rooted in strength, safety, trust, and empowerment. Through principles such as collaboration, peer support, and cultural sensitivity, this approach fosters pathways and recovery for people who receive IPS services.

## Webinar Learning Objectives:

- ✓ Learn practical strategies to integrate trauma-informed care into IPS
- ✓ Explore real-world success stories
- ✓ Gain tools to better support clients with lived experiences
