IPS 101: Practice Principles and IPS Overview
2026 California Schedule

These virtual training courses explore the eight practice principles of Individual Placement and Support (IPS) Supported Employment. The webinar topics will also include an introduction to the IPS fidelity tool, and a conversation on key aspects of IPS service delivery on the ground. Who can join? All county and behavioral health program staff interested in IPS are welcome! The training courses are available at no cost. Each training course will review similar material.
