

**Supported Education Plans: Lists are not all-inclusive, but can be used as a guide**

**Plan One:**

Describes the initial plan to enroll in the educational program, applying for financial aid, exploring educational institutions, and other initial services to register for an educational program.

**Plan Two:**

Update the plan before the first day of the educational program to have in place the needed support services to follow the client through the semester or training program

**Plan Three and Beyond:**

Complete at the end of a semester/term/milestone. Continue to update at the end of the client's educational term. Provides an update on ongoing work & outlines educational support and planning needs.

**Activities that are not yet completed can be moved to the next plan. Completed activities are referenced in the activity notes.**
